ALEI ETZION

A Torah Periodical of Yeshivat Har Etzion

Volume 18 / 5778

Rav Reuven Ziegler, Editor Rav Yonatan Shai Freedman, Meira Mintz, Asst. Editors Aminadav Grossman, Rav Daniel Landman, Ed. Staff When residents of Gush Etzion were forced in 1948 to abandon the area, they gazed from afar at the remaining oak tree as a symbol of faith and hope for the future. Yeshivat Har Etzion and Alon Shevut, the settlement which grew around it (literally, the Oak of Return), continue to draw inspiration from this steadfast tree. Like the tree, which stands firmly rooted while the wind carries its leaves in all directions, the Yeshiva flourishes within while spreading Torah without. The name *Alei Etzion* (Leaves of Etzion) symbolizes our commitment to the development of Torah scholarship, and to its dissemination throughout the Jewish world.
